

PETITION FOR RECALL

TO THE HONORABLE CITY CLERK OF HUNTINGTON BEACH, CALIFORNIA,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City of Huntington Beach, County of Orange, California, respectfully state that we seek the recall and removal of Kim Carr holding the office of City Council Member in Huntington Beach, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on September 7, 2021 to Kim Carr:

TO THE HONORABLE Mayor and City Council Member Kim Carr: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of the City of Huntington Beach, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of Mayor and City Council Member, in the City of Huntington Beach, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

Mayor Kim Carr has failed in her duty to protect the interests of the citizens of Huntington Beach by refusing to oppose a state requirement that we add over 13,000 High Density Apartments to our city, the equivalent of 47 Beach-Ellis style high-rises, thus threatening the suburban beach community character of our beloved city. She has violated and damaged the City Charter by surrendering our local control of zoning to the state. She has made numerous attempts to undermine our elected City Attorney, Michael Gates, and not follow legal advice to protect the citizens of Huntington Beach, thereby abusing her authority. She has further flouted the express will of the voters by: 1) shamefully harassing Mr. Tito Ortiz out of office and 2) replacing him with a person of the Council's, rather than the voters' choice, all in furtherance of the destructive High Density Development scheme. Her immediate replacement, rather than waiting for the next election is urgent and necessary to stop further damage and Save Surf City. (See SaveSurfCity.org for details) Proponents include Cari Swan, Russell A. Neal II, David A Sullivan, Milton B. Dardis Jr., Edwin C. Laird, Patricia L. Ferlita, Pat Garcia, Patricia J. Garcia, Ceason Ann Baker, Victoria Gray, Kathryn Carrick, Maria Piccolo, Raymond Raines, Kristi DuRose, James Martin, Luanne Shoup, Roy L. Arnold, Margaret L. Arnold, Sylvia Calhoun, and Linda A. Polkinghorne.

The answer of the officer sought to be recalled is as follows:

TO THE RESIDENTS OF HUNTINGTON BEACH: I, Mayor Kim Carr, proudly serve you with honor, dignity, professionalism, and integrity. My commitment to preserve and protect our beachside community has never been questioned. I faithfully and respectfully uphold my duties to the Constitution of the United States and to the Constitution of the State of California. To put it simply, I take my role very seriously. Your issues are my issues: eliminate homelessness, provide superior public safety, preserve our wetlands and open spaces, upgrade our parks and playgrounds, save our local businesses, and maintain a balanced budget. I love Huntington Beach and fight every day to ensure our community is a place where families, visitors, and businesses thrive. Despite this, failed city council candidates from previous elections and unethical social climbers are pushing to recall me under the false pretense that I support high-density housing. I have never once voted for a high-density project in my entire career. This potential recall election will cost you, the HB Taxpayer, approximately \$1,000,000- money we can't afford to waste. **REJECT THIS WASTEFUL RECALL EFFORT**. Do not allow your signature and private information to be used by individuals who create false narratives solely to gain political power.

Each of the undersigned states for himself/herself that he or she is a registered and qualified elector of the City of Huntington Beach, County of Orange, California.
